Archivist of the United States.
Next Review [REDACTED]

SOURCE

1. As of 10 September 1948, travel in and out of the triangular area between Leipzig, Weimar, and Plauen was forbidden to all persons except workers en route home or to work who present documents at road blocks and ticket windows. Thorough control is exercised by police check points at railroad stations and on roads at towns bordering the area.
2. The official explanation for the restriction is the prevalence of infantile paralysis in the area.
